USEPA has been involved with a site assessment concerning the Mushroom Express facility at 33777 Valley Center Rd., Valley Center, CA 92082. The facility is apparently on Fee land within the exterior boundaries of the Rincon reservation.

Mr. Stuart suggested that a copy of the Land Title Map for Ricon would be available through your office to assist USEPA with the on-going investigation. If possible, can you mail a copy to my attention at the above address. Please feel free to call me at 562-889-1630 should you have any questions.

Sincerely,
